CHAPTER 2

NATURAL DISASTERS

HOSEA 4

“1Hear the word of Yahweh, you children of Israel; For Yahweh has a charge against the inhabitants of the land: “Indeed there is no truth, nor goodness, nor knowledge of God in the land. 2There is cursing, lying, murder, stealing, and committing adultery; they break boundaries, and bloodshed causes bloodshed. 3Therefore the land will mourn, and everyone who dwells therein will waste away. All living things in her, even the animals of the field and the birds of the sky; Yes, the fish of the sea also die.”

[//youtu.be/UGJUSduphQI](https://youtu.be/UGJUSduphQI)

The Bible talks about a covenant between us and God; it literally describes a relationship of true love between man and God and describes sin as a true betrayal and infidelity to God! This was declared in the Old Testament by the Prophets.

I believe in the covenant which is between us and God; I believe that in righteousness and goodness there will be the contentment of God, and in His contentment we will find benevolence, blessings, and gladness on the earth, however, I also believe that our poverty in love and mercy, our sins, offend God and make our life difficult.

When the earth loses purpose and good men are no more around, it will cause sadness to God and offend His caring love like any father who would see his children in disobedience and sin.

CHAPTER 3

SIGNS IN THE SUN

“There will be signs in the sun, moon, and stars...” (Luke 21:25)

We all agree that sun is good and we are all witnesses in heart about the goodness of the Lord... The sun is a word spoken by God and heard by all; all signs in the sun are signs from God. The sun is dancing in the House of God, at Christian sites, testifying to the word of the Lord.

The Holy Mother called for repentance.

It was in the year 2000, The Golden Jubilee Year - when a group of Divine Mercy devotees started to receive visions, messages and instructions from Jesus to start to build the Church of His Mercy. However the response was not an immediate yes. For three straight years the group ignored the Lord's request to build His Church, out of fear and worry... They had mixed feelings of doubts and uncertainties how this project, which will be funded from solicitations and donations, will materialize... However, God's ways are not man's ways and the Lord rebuked them for their lack of faith with this message: "Why do you doubt? The fact that you have doubts indicate that you do not know your God, as you should. If your prayer life is infiltrated with doubts, you have denied yourself the greatest single avenue of power that your God has made available to you. Without faith it is impossible to please God. Obedience to my commands always brings fulfilment. When I give you instructions, obey immediately and watch my perfect plan unfold in your life."

Here is a sign rising from the sun; from the glory of God, from what belongs to Almighty, from the mercies of the Father... God is rising from His light of beginning – the sun, calling hearts to faith and hope. His name is Father of every consolation.

Talking about signs to Father Stefano Gobbi in 1987, the Holy Mother said that the great apostasy, the overturnings of the order of nature, the incurable diseases, the continual rumors of wars, revolts and struggles... are signs of the great tribulation, and she added, “The miracle of the sun which took place at Fatima was a sign which I gave you to warn you that the times of these extraordinary phenomena which are taking place in the heavens have now arrived. And how many times during my present apparitions have you yourselves been able to contemplate the great prodigies that are taking place in the sun”

The Mercy of God

The Mercy of God is unbelievable that His sun is shining on everyone, the righteous and unrighteous, since the beginning of days, and in His immeasurable Mercy, God would also call everyone to heaven through the signs of the sun; His Will is life for all.

(EZEKIEL 33) “Say to them, As I live, says the Lord GOD, I have no pleasure in the death of the wicked, but that the wicked turn from his way and live; turn back, turn back from your evil ways; for why will you die, O house of Israel?”

The Lord invited us to learn the parable from the fig tree and all trees saying, “You see it, and you know for yourselves that summer is now near”; we see it and rejoice because the Almighty God is above sun and sea, above day and night... and nothing can take the joy of God from us.

Thank you Lord I can see

Thank you Lord because you gifted me sight that I can see... it is because of You that I can see... Thank you Lord I can see the beauty of light shining above land and trees... thank You Lord for the beauty of day and night

you gifted me. I can see, hallelujah, I can see; because of You I can see, not because of me, not because of me... I lift up my sight to the LORD.

My soul is seeking You

In the beginning I was a child, I was born in a little home, the sun was shining and I was standing there and looking - I never saw the sun before... and when the night fell and the stars appeared, it was so beautiful... I never

saw the night before... I was worried if day would come back again! Surely everyone agrees that day and night are good.

Thank you Lord, You gifted my all to me, You gifted me lungs to breathe and You gifted fresh air to me... You gifted me sight and light and because of You I can

see... You gifted me a wonderful heart; righteousness, goodness, love and mercy, all of them I can see... You gifted my heart to me; You gifted your Heart to me.

The beauty of your earth is calling for goodness; it is a word of goodness heard by all. Blessed be the day and the night in the name of the Lord... His Light is shining and His love is not hidden. His day is holy and His night is holy and His seasons are a blessing... my heart is a witness about the Lord.

What shall I do if I am not ready?

The right hand thief was indeed a sinner but he heard a beautiful word of forgiveness and consolation from the Lord:

“Today you will be with me in Paradise”

Do not reject the LORD when troubles come but lean on His Cross,
do not depart.

It is good to have a big wooden cross at home...

it is good to pray, hallelujah

God is calling from the sun to call all people under the sun! The sun speaks with a beautiful light from Heaven to the faithful and a clear call of repentance to the sinner. God is calling from earth and from heaven, calling all people who can hear and see. His Law is righteousness and goodness, His Law is revealed to all. His Law was from the beginning.

God is calling the heart of man to “Repent and Believe in the Gospel” - the good news, the beautiful hope.

Dear brother and sister, JESUS Came from Heaven and united Himself with the sorrow of good people who suffer because of this world; because of injustice, indifference and selfishness... He united Himself with those unlucky, poor and little ones... to bring a ‘Horn of Salvation’ for all of them because of Whom He Was. His name is Holy. His name is Father of all people.

LET US PRAY

Psalms are prayers available in Bible; there are 150 psalms by David and other people written with inspiration from the Holy Spirit and through the grace of God as also clarified in the last words of David (2 Samuel 23:2) “The Spirit of the LORD has spoken by me, His word is upon my tongue”.

Psalm 1

Blessed is the man who walks not in the counsel of the wicked, nor stands in the way of sinners, nor sits in the seat of scoffers; ²but his delight is in the law of the LORD, and on his law he meditates day and night. ³He is like a tree planted by streams of water, that yields its fruit in its season, and its leaf does not wither. In all that he does, he prospers. ⁴The wicked are not so, but are like chaff which the wind drives away. ⁵Therefore the wicked will not stand in the judgment, nor sinners in the congregation of the righteous; ⁶for the LORD knows the way of the righteous, but the way of the wicked will perish.

His testimony did not happen to happen but God in His love for us wanted to show us the way... God is speaking with us; His word is in front of us and His word is forever. Faithful and Holy is the name of God.

Dear brother, if you are seeking the truth, it is here; you saw it, complete with all the Blessings of Almighty God of LOVE.

The seat of Peter and God

Of course there is a relationship between the seat of Peter and God, but the end of the world itself is all about the seat of Peter because this is the seat of God on earth; because the 'God of Bible' is God Almighty, Lord of earth and heavens...

Incorrupt bodies of our brothers and sisters

1. The incorrupt bodies appeared in East and West, in Catholic and Orthodox Churches; these are bodies of our brothers and sisters that didn't corrupt. There are more than 250 recorded instances in Catholic Church.
2. The visitation of their bodies by the faithful is often accompanied by heavenly blessings, from beautiful incense odour to healing miracles... no words can tell.
3. The incorrupt body of St Bernadette Soubirous gives credence to the apparitions of Holy Mother at Lourdes and so also the incorrupt body of Jacinta Marto testifies for the authenticity of apparitions at Fatima, Portugal. The non-corruption confirms the authenticity of apparitions.

To have more than 250 incorrupt people in one group of people is not a coincidence. They are our brothers and sisters! It is not because of the food

nor because of the sun... it is because of what they put in heart. Thank You Jesus.

God said, **“You won’t let your Holy One see corruption”**; the non-corruption of flesh in the House of God is about Holiness according to the word of God.

Holy is the name of God. When I come to righteousness I have come to God; righteousness and goodness belong to Him. God loves good people...

CHAPTER 6

Now dismiss your slave in peace

GOD AND GOODNESS ARE ONE

(Luke 2:25) "Now dismiss Your slave in peace, Master, according to Your word, because my eyes have seen Your salvation, which You made ready before the face of all the peoples..."

I went astray and lost my way in a stormy day...

Away from God is not Okay!

The way Home got a way!

What shall I find away from light? Isn't it darkness!

What shall I find away from forgiveness? Isn't it hatred!

What shall I find away from goodness? Isn't it wickedness!

What shall I find away from love? Certainly no-love but selfishness! The third thing does not exist.

I love Light, hallelujah.

I love goodness and forgiveness, hallelujah.

I love the word of God, hallelujah.

When the Word of God is living in me I am at Home, I can't be lost, I am free and evil can't find a way to me.

I went astray, I was lost and the evil one attacked me; no one can help; no man can help! I was left alone in darkness; in prison. I lifted my eyes to God Almighty and said, “O Lord forgive me, get me out from here, you alone can save me...” And the Lord in His Mercy answered me, I heard His Beautiful Voice; He came and set me free and showed me the way.

It is through hatred that the evil one can find a wicked way to me; all people testified. The evil one acts in darkness and flees from light...

It is not hard to see where we live today! All family members are safe when mothers pray... Prayer is a precious gift from God; in His good will we pray. If we love goodness and exalt righteousness, let us then pray; let us tell Him that we love Him, let us give thanks for the light of day... How beautiful it is when we do not live alone but live with God.

Thank You Lord for coming anew to save us and show the way.

God is just beautiful. With God we are at Home, we are family.

The Gadarenes demoniac

"They came to the other side of the sea, into the country of the Gadarenes. When he had come out of the boat, immediately there met him out of the tombs a man with an unclean spirit, who had his dwelling in the tombs. Nobody could bind him anymore, not even with chains, because he had been often bound with fetters and chains, and the chains had been torn apart by him, and the fetters broken in pieces.

Nobody had the strength to tame him. Always, night and day, in the tombs and in the mountains, he was crying out, and cutting himself with stones. When he saw Jesus from afar, he ran and bowed down to him, and crying out with a loud voice, he said, “What have I to do with you, Jesus, you Son of the Most High God? I adjure you by God, don’t torment me.” For He said to him, **“Come out of the man, you unclean spirit!”** JESUS asked him, **“What is your name?”** He said to Him, “My name is Legion, for we are many.” He begged Him much that he would not send them away out of the country. Now there was on the mountainside a great herd of pigs feeding. All the demons begged Him, saying, “Send us into the pigs, that we may enter into them.” At once Jesus gave them permission. The unclean spirits came out and entered into the pigs. The herd of about two thousand rushed down the steep bank into the sea, and they were drowned in the sea. Those who fed them fled, and told it in the city and in the country. The people came to see what it was that had happened. They came to Jesus, and saw him who had been possessed by demons sitting, clothed, and in his right mind, even him who had the legion; and they were afraid.”

Here is a legion of evil spirits miserably seeking life here and there...

The Church

People travel and come to Church because they have a great hope and firm decision to get rid of evil spirits or demons they have, where many had them for years. Now, when the evil spirit rise up in the presence of God, the person continues to fight for his good will along with the grace of God; the person fights to make his will above the will of evil spirit.

People come to Church because they need freedom in the name of Jesus Christ; they have chosen God in their heart before coming to the Church, hallelujah! May the grace of God visit the whole world; may all hearts choose to refute evil and fight for freedom in the holy name of Jesus.

The man of God said: “The word of God is Healing, Deliverance and Blessing, and the Lord will give me the grace; His living word in me will release you”, hallelujah.

At work

At work, others may inflict unreasonable pain on you! A friend told me: “I learnt from Saint ‘Therese of Lisieux’ to bear my cross with the cross of Jesus...and it happened that one day, as I became a little poor foreigner in a certain faraway country, I was mistreated and humiliated at work... I literally accepted my cross in Jesus’ name and through my sorrow I could see where is life and where is death; what is evil and what is goodness... God came to me and lead me to know the Holy Spirit of Christ; Blessed be His name”. **Now, If you are here O dear reader,** Rejoice, because God is Calling you; He Called the burdened and unlucky ones ahead of all the rest because His name is holy, He said: **“Come to Me, all you labouring and burdened ones, and I will give you rest. Take up My yoke upon you, and learn from Me, because I am meek and humble in heart, and you will find rest for your souls, for My yoke is easy, and My burden is light”**

God and goodness are one

The adversary is the destroyer of love, peace, marriages and families... the destroyer of earth. It is stirring up a spirit of impurity everywhere to make the whole world sin in heart against goodness and pure heart - against God; it is a war to destroy the good heart of the world and make the earth unworthy!

When God Calls us He is calling but for goodness. Hatred, selfishness, war and misery are not God’s... but Evil’s. What is Evil someone asked? Dear reader, to understand evil, watch out your sorrow! Watch out your own life experience; this sadness we might feel in heart because of selfishness of someone or another when we are seeking goodness and love or even mercy and can’t find it! In my sorrow I could see how lack of goodness was hurting me... It is

evident for me that evil is death and goodness alone is life! Evil is the enemy of goodness.

Selfishness is the insider plan of Evil; it leads to hatred in families and among nations... it leads to sorrow and suffering for all.

We can see by now an evil storm like never before since the time of Adam & Eve! An evil storm which found its wicked way through the false pride of man, and here we are now in the storm... and we didn't perceive it yet - many of us! No doubt all sort of awkward things coming from here and there are fuelled by Evil to effectively catch the attention of our mind and bring destruction to heart and spirit... not only on the Internet but everywhere ...all sort of unusual clothing, TV programs... are here to draw us effectively down... please note that every thought is about spirit; everything is about spirit; flesh will pass away.

The world somehow shifted away from its purpose in what concerns goodness and spirit; in what concerns the good Will of the Father, and many of us, especially young people, have difficulty in seeing it because they were somehow born in it! If the earth lost the good Will of the Father it would be no good for all!

Since the beginning of days goodness was beautiful and badness was ugly. Only pure hearts were gifted to know love, because this is the Law of the Lord, the Law of Creator. The Creator of earth and heavens is the Lord. His Law is shining in every heart; [‘Ephatha’, says the Lord.](#)

When heart is pure, even sunrise is much more beautiful... but when I do evil, love is no more; [evil is nothing but our death from the beauty of life!](#) Peace, trust, hope and joy can't be but where goodness is ...and I am homeless even at home when love is missing. My home is where love is; love who would love me in my weakness, in my sickness, in my fall and when the beauty of the day is no more... Thank you JESUS.

My mind, my attention!

My mind, my attention! It is here where I should pay attention. The Gospel made it easy for everyone to connect with God, it is the most precious Gift we ever had on this earth. God does exist; the Holy One is God; the Lord of righteousness and goodness, the Lord of love and mercy, the Lord of Heaven. Everything I might see, do or think about can be good or bad but nothing else, in spirit. God rejoices in goodness and goodness brings me closer to Him, however what's bad distances me from God and destroys my humanity; this beautiful humanity in which I live and breathe.

It is a spiritual war where poisonous food is spread all around to kill souls... the rise of evil is even visible... brother, do not look at this selfish world but remain in Him; "You are not from the world", said the Lord.

I pray before sleep, I say, "LORD, let this night be good on my poor and weak soul and let it be good for all"... and I keep a wooden cross at hand as I sleep. Also when I wake up at night I pray one decade of the Rosary or more before a big wooden Cross... Brother, night is as important as day.

Goodness was beautiful since the beginning of days and righteousness is the Law of God, hallelujah. May God, Father of all goodness, Bless and Strengthen the good will in every heart.

O people of the earth, you who love righteousness and goodness, you who love His morning and eve, lift up your eyes to God.

The Lord is the Hope who came from Above. He Came from Heaven to bring us to Heaven. He came that goodness and love may triumph in every heart... "Take away the stone", said the Lord.

Quote from 'True life in God' - January 19, 1990 - Website: www.tlig.org

"... there are so many temptations in the world that souls cannot afford to be one second asleep; they should be in constant prayer and awake; these

temptations arise from almost nothing; the traps that Satan puts are so cunningly disguised that souls fall instantly inside them, completely unaware they have even fallen! But if souls only listened to Me and would pray more often and feel My Presence more often, talking to Me as their companion, or praying to Me as their Father, then they would be more aware of these traps; incessant prayers keep the devil far and their soul closer to Me”

HIS NAME WAS GIFTED TO US!

You came from Heaven and gifted your name to me! You gifted your Almighty name to me! Hallelujah! Shall I call on your name O Lord to come into my life, to come into my family! To come and heal the world! Blessed be the Mighty name of JESUS CHRIST.

Thank you Lord because I know your name; because you gifted your name to me! In your name I overcome darkness; Your name is real, Your name is GOD, Your name is YAHWEH, Your name is JESUS CHRIST, Your name is forever good and merciful; Your name is joy in my heart. O Lord Come and Heal my life.

WE HAVE ALREADY TRIUMPHED!

Thank you Lord because you are here, among us, and waiting for us to call upon your name and triumph because you have already triumphed for us; we have already overcome darkness in your name. Your Mighty name was gifted from Heaven to mankind, hallelujah, to all and everyone, yet all we need is to call upon your name, all we need is to know you O Lord; all we need is to love You and keep faithful to You. You died to give birth to us; Blessed be Your name. Your name was given to the world. **Just Call upon His Name! Hallelujah!**

THE SORROW OF GOD!

What is the Sorrow of God? What is the greatest Sorrow of God?

The Greatest Sorrow of God is that He gifted His name to us, He gifted us Salvation in His Own Blood and His Love was revealed to all but we are too lazy to Come to Him; too lazy to Know Him; too lazy to Call on His holy name in a Beautiful Word of Prayer! God did His Part in our Salvation; He came to us but we still need to go to Him! He Loved us but we still need to love Him... we need to do our Part!

God triumphed for us but we are ignorant and unfaithful to a point that we are losing our Triumph and our very life! This is the sorrow of God!

O my soul, O Dear Brother and Sister, what are we doing! Go and read the Bible, Eat it! We are happy and strong because Jesus came to us; because we already know Him. If Jesus didn't come to us, what we would do now in this darkness? We have no eyes to see what's going on... and no strength to fight! Behold Creator and Christ.

Love is calling you

God is good and Evil is bad; that simple is the truth. Love, sincere heart and true peace and joy belong to God alone; He is the Father of all goodness and His light is shining. As we know, Lust has never been love, it is a crime maker...

Flesh is the same for all people but not all people are the same inside because man is all about spirit; about heart and soul. Flesh is blessed for it is the gate of life, everyone's life - hence the call to respect flesh because through flesh we happen to see the light – however, **when I become a cause of lust I become a killer**; prudery is part of our conscience which is from God... We were not born naked but clothed with conscience, mind and heart.

All beauty we have is from God... and flesh can bear good or bad fruits; the third thing does not exist. God has gifted us life and nothing is greater than life, ever - His goodness is our life and because of Him we are.

Love is stronger

What is lust? Lust is a void not a thing; it is the absence of light; the absence of love, and it needs healing; it needs love. Lust can reach the point of crime; it did, it killed many, it killed without mercy...

For anyone who loves, who happens to know love, lust does not exist. Love is goodness... love is faith and prayer... Love belongs to God.

Blessed be all good women and men who wear for the goodness of heart and woe to those who don't care about others - among them the sick, the poor, the young and the old. If you don't care about God how shall God care about you!

Lust drives hearts to destruction; it demands healing. Remember that earth and heavens belong to God, and flesh and love were gifted by Him in the good will of the Father... If I can't imagine myself animal, not for a second, why should I run in such a direction.

Love belongs to God

Lust also means that I have no love for people around me, I don't see them, I don't care about them, and I have no mercy for them, yet I still count them and need them to destroy them; this is literally how sin works and the evil one. Lust also means I am not beautiful; I will be ugly soon or later, yet I continue to search for

beauty I didn't labour in, to destroy it. Lust is a non-sincere heart, a non-love, and trust and peace can't be there... it is like when I fall no one would care about me since love alone knows sacrifice. Do not allow lust to deceive you, get out; **be filled with love, love belongs to God.**

Stars and night

Only pure hearts were gifted to know love, because this is the Law of the Lord, the Law of Creator. The Creator of earth and heavens is the Lord.

When heart is pure, even sunrise is more beautiful... but evil brings death to the beauty...

Since the beginning of days goodness was beautiful; if I am not good, love would not die, but it would die in me! It is me who would die, but stars and night will continue to be as beautiful as they were before!

A little child can tell the truth

I heard a little child at the bosom of his mother saying, "Love who has no darkness does exist; it is true and it is real, it is one and no division in it, it is complete in goodness..." and I also heard the mother saying to her child, "I love you dear, out of my love for you and because of you I love you..."

The one who is not ready to sacrifice himself for the sake of love is not yet in love - true love is not here.

In selfishness there is no sacrifice; there is no one who cares about me!

They had no mercy in my sorrow and no hope for me to breathe!

A pure heart is the law of God and goodness alone was beautiful since the beginning of days. My heart is a witness about the Lord; His Law is a Law of goodness, a law of life; a law of love and peace.

Colton Burpo

Reference: Wikipedia, https://en.wikipedia.org/wiki/Heaven_Is_for_Real

“Todd Burpo is the former pastor of Crossroads [Wesleyan Church](#) in [Imperial, Nebraska](#), and his son Colton had emergency surgery on March 5, 2003 at the age of three. During the months after surgery, Colton began describing events and people that seemed impossible for him to have known about. Examples include knowledge of an unborn sister miscarried by his mother in 1998 and details of a great-grandfather who had died 30 years before Colton was born. Colton also explained how he met [Jesus](#) riding a rainbow-colored horse and sat in Jesus' lap while angels sang songs to him. He also saw [Mary](#), the Mother of JESUS, kneeling before the [throne of God](#) and at other times standing beside Jesus”.

As I watch these videos for the first time, at a moment I felt like my soul was awakened once more to the goodness of God... I believe we are here to grow in goodness because there is a Heaven upstairs. No one should miss that God and goodness are one. How good and holy is the will of God for all of us.

Suicide

(Inspired by the video above)

It is important to see the video and pray for the healing of the world. Away from God one might fall. When she came back, her life was changed to good even though nothing was changed but her heart... The Word of God is here and it is Healing for our hearts...

Life is holy, so holy

(Inspired by the case of abortion video we saw above)

God brings vengeance or righteous punishment out of His Sorrows; it is not a punishment, it is a facing of truth; a facing of righteousness. God is just and righteous and His righteousness is peace - eternal peace in our heart.

God does exist; He gifted day and night and gifted life and love through this holy flesh, in His good Will of Father. All goodness came from Him and we are all receiving from His goodness and because of Him; His Light is shining. He is the Father of all lights, of all gifts... our Father.

O my soul, Love, justice and Mercy did not come from soil and water... but from His Love and Mercy we have all received love and mercy. Thank You Lord I can see, because of You I can see, not because of me... I can see the truth.

Thank you Lord, from Yourself You gifted me this Beautiful Humanity in which I live and breathe; You are my beautiful morning and eve; my life and my breath of life... Blessed be Your Name O Lord, because of You I am.

It's evident that the theory of atheism and evolution is wrong, deception and true sin and evil; it reflects the misery of man - that non-sincere heart which continues to refute light for no reason proving unworthy of life!

God is calling me

God said in Revelation 3:20; "Behold, I stand at the door and knock. If anyone hears my voice and opens the door, then I will come in to him, and will dine with him, and he with me"

Those good hearted people who live in the Spirit of Christ are light shining in darkness; in midst of troubles they are stronger... but those who don't have the light of Christ are now called by His Beautiful Light, to come to His Light as long as the sun is shining and there is what we call day and night. God is Calling everyone to goodness; He is Calling everyone to Life. His Voice is heard all over the world!

The near death experience; a safety note to the reader

People are not holy, no one of them... no man is holy but the Holy One who came from Above, who said, 'I Am the Way, the Truth, and the Life', whom faithful followers were lifted to the throne of Heaven and they are called Saints on earth and in Heaven; they are Kings and Queens in the Kingdom of the Most High. From here comes the value of learning from our beloved Saints, not from people, because they followed the LORD of HEAVEN Himself – they followed JESUS.

Men are sinners and any testimony with no sincere tears of love, hope and joy, is not Heaven - it might be too far. The after life is like a big space, just to say, and hell is part of it. Away from sincere tears of hope and joy is indeed not God... take heed that the evil one is also on the other side...

All I need is God and without Him nothing can help. I need to pray. The way is narrow, and I need to follow the LORD.

Please care about every moment of your life because every moment is a gift from God and it can be a beautiful word of Prayer. Every moment is coming from a great love, from His love.

My joy is in the Saints of God, they are the joy of earth and Heaven and they are pouring their Blessings from Above.

O Lord, Help us to live like one big family that all diseases of selfishness, hatred, impurity and mistreatment may be healed from the earth. Amen.

The will of God for me / Life after death

(Reference book: Take away the stone ارفعوا الحجر)

- Dear brother, please let us ask again what is the purpose of our existence here on earth? Why Christ came to us? Why we make effort to be good people? Why God is pouring His lights upon us, from earth and heaven, to sanctify us? Why the sanctification? And the answer is that God needn't us to remain here on earth but He wants to give us Heaven! God loves us and wants to bring us to Himself, to Heaven. He said, "Don't let your heart be troubled. Believe in God. Believe also in me. In my Father's house are many mansions. If it weren't so, I would have told you. I am going to prepare a place for you. If I go and prepare a place for you, I will come again, and will receive you to myself; that where I am, you may be there also. Where I go, you know, and you know the way" (John 14: 1-4). Yes, true Christians do not die and do not face trouble or any inconvenient matter after death... but cross from earth to Heaven, to the kingdom of God, to near JESUS... and shine there like the sun, because God said, "Then the righteous will shine forth like the sun in the Kingdom of their Father" (Mathew 13: 43).
- If man was born to live on earth, only here, then Christ wouldn't come to us and called us to His Kingdom saying, "My Kingdom is not from this world..." (John 18:36).

- It is true Heaven is for holy people but JESUS suffered for all people to take everyone who repents from sins to Heaven, He said, “For the Son of Man also came not to be served, but to serve, and to give his life as a ransom for many” (Mark 10:45); those many people Christ wanted to redeem, are not holy but sinners. Yes, Christ not only called us to holiness but offered Himself as a ransom for sinners and this is a great joy for all people, a joy announced by the angel to the shepherds, saying, “Don’t be afraid, for behold, I bring you good news of great joy which will be to all the people. For there is born to you, this day, in the city of David, a Savior, who is Christ the Lord” (Luke 2: 10 - 11); Yes, JESUS came to redeem us and take us to Heaven, to eternal life with God. Yes, in front of your cross O Lord, every fear disappears from our heart because your name is holy.
- Christ wants us to overcome this world and be like Him, an aid for others, He said, “To him who overcomes I will give to eat of the tree of life, which is in the Paradise of my God” (Rev 2:7) and also, “He who overcomes, I will give to him to sit down with me on my throne, as I also overcame and sat down with my Father on his throne” (Rev 3:21) Yes, Christ put his life for the sake of sinners and wants everyone to follow Him; He wants everyone to love... He wants to reward us in Heaven. Christ wants all of us to be Saints; yes, let us live our life with Christ.
- From the Diary of Saint Maria Faustina Kowalska: “... and I came before the throne of God. I saw a great and inaccessible light, and I saw a place destined for me, close to God. But what it was like I do not know, because a cloud covered it. However, my Guardian Angel said to me, ‘Here is your throne, for your faithfulness in fulfilling the will of God.’”
- Through the work of God for me I can see the greatness of His will for me.
- Someone would say, “If Heaven is the goal of our existence here on earth, let us then stop working!” No my brother, let us work more, but let us work in the spirit of service to others, in the Spirit of Christ... work is like prayer, a gift from God. Let us be sanctified through work and through difficulties we might face at work. Amen

3. A PRAYER TO OUR LADY OF GUADALUPE

1.20min

[//youtu.be/usJf9ZvswIk](https://youtu.be/usJf9ZvswIk)

In the 1500s, about 8 million Mexican Indians converted from old, miserable and evil traditions to Christianity through Mary, the Mother of the Lord, and the evil one was crashed, hence the Guadalupe Picture and the term “She who crashes the serpent”. Misery was crashed and light testified for itself... She called men to life when they were lost... Blessed be the name of God.

‘The Resurrection and Life’ Came from Heaven and said, ‘Lazarus Come out’ but some people are still far from God; they are like sorrows in the Heart of God... it was because of His sorrows that He came and died; because of His love for us, and

without His love He wouldn't come. His Love is calling us to do something for our brothers and sisters; to pray for them in His Prayer and to love them in His love. God gifted His sorrows to us – the sorrows of goodness and love.

The Clothes of the Holy Mother reflected the message itself like if talking to people through everything; yes, Heaven speaks through everything, not only with words... and Jesus was born in the heart of aboriginal people; they were born in the true God of life.

While Inspired by our Lady of Guadalupe, let us pray for the conversion of sinners.

Through Her love, the Holy Mother is saving us.

Through Her Apparition, Mother Mary saved Egypt from war; She saved Christians and Muslims alike from the true enemy of man; the enemy of life. Every Time Mary appears on earth, She is trying to save us from evil. It is always possible if we listen.

2. Virgin Mary appears to +500,000 people in Egypt!

8.30min

[//youtu.be/NKHaNMTRF1o](https://youtu.be/NKHaNMTRF1o)

Here is a Message calling everyone to goodness, forgiveness, peace, purity of heart, faithfulness, faith in holiness and in Heaven; faith in God.

Thousands of people were healed in heart and saved, while lot of misery and sorrow were prevented, what no single man can do.

That was a beautiful glimpse of Heaven yet we can't see the glory of Heaven with eyes but we only saw the heavenly message conveyed to us; a message of love and peace calling everyone to 'Repent and Believe in the Gospel' of Heaven which is the most precious gift we ever had on this earth.

Dear Brother and Sister, think Heaven; what benefit would be for me if I happen to know as too late, that it was Him, the Holy One, God Almighty who said, “This is My Beloved Son”. Let us pray.

[//youtu.be/KwGXssBoAMc](https://youtu.be/KwGXssBoAMc)

The Holy Mother was weeping all the time as She was talking to the children about these unhappy days... Since the Coming of Christ to bring Peace to this poor world, the Church received many attacks from this world and was saved by God alone. Away from faith, humility, love, goodness, prayer, mercy and sacrifice for the dead to live... nothing would be found here on earth; **“Ephatha”, says the LORD.**

At a certain time, the growing darkness of the world would infiltrate into the Church; a sad moment to weep bitterly about with the Holy Mother if we were faithful to God... not only Christians but the whole world should weep. We weep the sorrows that would come upon the earth; we weep our unfaithfulness to God, the Father of day and night... and

we weep because of the SON who gave Himself to the Cross saying,
"But take heed; Behold, I have told you everything in advance."

Our love for Christ will be tested when His Church sees weakness! God will ask you about your love!

How important it is to perceive the truth and how terrible to miss it; the truth is, 'The God of Bible' is literally God Almighty Creator of earth and heavens... and like sun and heavens belong to God so is the Seat of Peter on earth, the Seat of Christ.

Saint Pope John Paul II said:

"We are now facing the final confrontation between the Church and the anti-Church, between the Gospel and the anti-Gospel, between Christ and the antichrist".

Please note that the discernment of antichrist should be always in spirit and in prayer not in blind considerations.

Dear Brother, Take heed that we are not after knowledge and prophesy itself but after goodness, holiness and Heaven - the hope of our hearts.

The LORD said, “There will be signs in the sun...” and the first sign in the sun was in 1917, in the Apparition of the Holy Mother at Fatima. “The sun, whirling, seemed to loosen itself from the firmament and advance threateningly upon the earth”; a testimony by Dr. Almeida Garret, professor of natural sciences at Coimbra University. The Holy Mother called for repentance.

Jacinta’s body remains incorrupt after her death; a merciful sign from Heaven toward the importance of the message of Fatima.

We have seen Mary, the Mother of the Lord, 'Clothed with the sun' for Her Children, to save their souls; Clothed with the glory of God.

This miracle of the sun at Fatima is a great sign about the merciful Heart of God... God is seeking to save the soul of man, all of them. No doubt, the wickedness of men is sorrow in God's Heart.

Sister Lucia speaking (As in the videos)

"Tell them also, father, that my cousins Francisco and Jacinta sacrificed themselves because in all the apparitions of the Most Holy Virgin they always saw Her very sad ... this sadness is caused by the offences against God and the punishment which menace sinners. And so, we children, did not know what to think except to invent various means of praying and making sacrifices"

"At around 4 pm on January 3, 1944, in the chapel of the convent, before the tabernacle, Lucia asked Jesus to make known his will: I then felt a friendly hand, maternal and affectionate touch my shoulder, and the Mother of God said to me 'Be at peace and write what I have commanded you...' immediately afterward, I felt my spirit inundated by a mystery of light that is God and in Him I saw and heard: I saw the point of a lance like a flame that is detached touches the axis of the earth and it trembles; mountains, cities, towns and villages with their inhabitants are buried..."

"... my mission is not to indicate to the world the material punishments which are certain to come if the world does not pray and do penance beforehand. No! My mission is to indicate to everyone the imminent danger we are in of losing our souls for all eternity if we remain obstinate in sin"

How shall I face a disaster... even death?

The Lord taught us to never fear death.

Dear brother and sister,

Face it with prayer. Face it in God. Cry out to JESUS, to Mary and to the Saints. Pray. God is stronger than nature, God is above nature... God is stronger than death... God is above death... death is nothing... The Lord asked us to not fear what kills the body but to only fear sin and Gehenna. The Lord said even to the

thief, “Today you will be with Me in paradise”. Death is nothing but a crossing from earth to Heaven because we believe in the salvation of soul, we believe in Heaven, and the Lord wants to save the soul of all men, all of us. Flesh is nothing.

The Gospel told us that Saint Stephen was stoned till death and he faced it all with prayer till his last breath when he said, “Lord Jesus, receive my spirit”.

Dear reader, Heaven is our Home where we will meet again all together; we will meet all our beloved people and meet our Lord JESUS who is already there, who died on the cross. Heaven is our true Home.

Please pray every day, be prepared, be ready; everyone got a date when it will leave this body and go Home to Heaven.

We believe in God and in the salvation of soul – we believe in Heaven.

We will not die but we will go Home, all of us. Amen.

4. **OUR LADY OF AKITA - VASULA** 2.18min

[//youtu.be/7vLKZfaxbaA](https://youtu.be/7vLKZfaxbaA)

The Holy Mother appeared in the video with a cross behind her; this is Her own cross which reads in spirit that the Mother of the Lord is indeed suffering in the Sorrow of God; suffering with us that we may not be left alone in this darkness; suffering for our sake, with Her Son JESUS. The Cross defeats darkness because it was through the Cross (His Cross) that JESUS defeated Satan on earth, and called the man to accept his cross united with Him. He is

the Lord of our Salvation to Heaven, and souls united with Him will see the Kingdom of God. Lot of souls do perish - just think about it; from here comes the sincere call to pray for them as an act of love so that they might come to God and be saved.

When a mother sheds tears before her children, there is a serious reason; of course there is!

Sister Sasagawa message: “Start praying to God with good and pure heart, convert to God and turn your lives over to Him, it is important to become a Christian and to know the Mercy of God. God wants us to amend our lives. The world is so corrupt and egocentric. God loves us so deeply and He is trying to save us from the chastisement, through our Lady messages. Only prayer will accomplish the road of spreading the message”.

The Message of Mother Mary to Sister Sasagawa

Sister Sasagawa said: “Previously I had been addressed as ‘My daughter, My novice’, but this time Mother Mary said ‘My loving daughter’, Her voice was very serious, She said: ‘My loving daughter listen carefully to what I am going to say now, and tell your superior about it. As I previously told you, if people do not repent, the Father will visit a great punishment on humanity; at this time, the Father must give a punishment heavier than the flood and more severe than ever before. A fire will come down from heaven, due to the disaster many will die, good people together with bad people, preists together with the faithful, will die. Survivors will have such hardship that they will envy the dead. At that time the only weapons left to us will be the Rosary and the sign of my Son. Pray the Rosary every day. Pray for bishops and preists with the Rosary. The devil will infiltrate the Church, Cardinals will oppose Cardinals, Bishops will be against Bishops, those preists who revere Me will be despised and attacked by their colleagues. Churches and altars will be desecrated. The Church will be filled with those who accept compromise. The devil will lead many preists and religious to resign their calling. The devil is

especially working on souls who are consecrated to the Father. The loss of many souls is my distress. There will be no forgiveness if sins continue. Have the courage to tell your superior about this. Your superior will call everyone to pray hard, telling them to strive with devotions of prayer and reparation' They were stern words".

Sister Sasagawa said: "The Blessed Mother was seeking souls who would console the Lord and soften the anger of the heavenly Father. Mary stressed that calamities were hanging over the world because of the ingratitude and disobedience of mankind... Prayer, penance, poverty and acts of sacrifice; these courageous acts can soften the Father's anger. We should love poverty and sanctify ourselves and make reparation for the ingratitude of so many. We should say our daily prayer with awareness of its meaning and put it into practice in reparation for sin. It is important to gather together and pray to the best of our ability"

The Holy Mother also said to Sister Sasagawa: "My daughter, my novice, do you love the LORD, if you love the LORD listen to what I have to say to you, it is very important, convey it to your superior. Many men in this world grieve the LORD; I seek souls to console Him. In order to appease the anger of the Heavenly Father, I wish with my Son for souls who make reparation for sinners and the ungrateful, by offering up their suffering and poverty to God on their behalf... with my Son, many times I have tried to appease the wrath of the Heavenly Father. I have prevented the coming of chastisement by offering Him the sufferings of His Son on the cross, His precious blood, and the compassionate souls who console the heavenly Father... is what you think in your heart true? Are you truly prepared to become the rejected stone? My novice, you who wish to become the pure bride of the LORD, in order that you the bride become the spouse worthy of the Holy Bridegroom, make your vows with heart readiness to be fastened on the cross with 3 nails; these 3 nails are honest poverty, chastity and obedience, of the three, obedience is the

foundation; with whole obedience follow your superior.” “Pray very much for the Pope, Bishops, and preists”

[Akita’s daily prayer with the Crucifixion of THE LORD; The Eucharist prayer](#)

“Most sacred heart of Jesus, Truly present in the Holy Eucharist, I consecrate my body and soul to be entirely one with your heart, being sacrificed at every instant on all the altars of the world and giving praise to the Father pleading for the coming of His Kingdom. Please receive my humble offering of myself, use me as you will for the glory of the Father and the salvation of souls. Most Holy Mother of God, never let me be separated from your divine Son, please defend and protect me as your special child, Amen”

The Message: “We must make many sacrifices, perform much penance, and visit the Blessed Sacrament frequently, but first we must lead good lives. The cup is already filling up, and if we don’t change, a very great chastisement will come upon us”, Conchita said.

The Warning: “You can be at any place, you will feel this warning, a threat from God, no human way can explain it. You will feel inside you and see with your eyes. For me, it is like 2 stars in crash with lot of noise and light but won’t fall down, no hurt, but in that moment we will see our conscience; everything wrong we did, also the good we did”, Conchita said.

The Miracle: The purpose of it is to save us; to change our life. Miracle will be in Garabandal where everybody can see it; the sick will be cured, and sinners converted. A Sign to appear at pine trees where they saw the Blessed Mother, and which lasts forever. Conchita will tell about the miracle 8 days ahead.

The Warning will come first and will be followed by the Miracle as a last call from God.

Conchita said, “They have left my soul filled with peace and joy, and a great desire to overcome my faults, and to love with all my strength the hearts of Jesus and Mary who love us so much”

All goodness and words of Love Come from God and no one can speak about Love but God. Every one wish to see God and God in His good will would appear to everyone and give more Messages that “the earth would be filled of His knowledge like water covers seas” where His Message is forever One, forever New, and forever Beautiful. Clear, sincere, and beautiful Messages from Our Lord and the Holy Mother are on website.

It never been late to repent, even in tribulation itself a sinner can repent like the right hand thief and hear the beautiful word of forgiveness, “Today, you will be with Me in paradise”.

God is suffering because goodness and love are suffering inside of us. Behold, God is watching - the Father of love and goodness who gifted everything in His good will of Father. The world is in a state of corruption...

The worldwide warning/ the illumination of our souls

The worldwide warning or Illumination of our souls will come first as revealed in Grabandal's; in His Mercy God wants us to wake up to goodness and Heaven... this seems like the sixth seal of the Revelation: please read Revelation 6:12

Those who would blaspheme God in troubles do not know yet that God is everything and without Him we are dead; they do not know that every

moment is coming from a great love, from His love... and every breath of life... our morning and eve and our beautiful humanity are here because of Him. Because of Him we are; 'Ephatha', says the LORD. Only when we accept our misery as ours and lift up our sight to the Holy Face of God we will be in Truth and His light will shine upon us. Holy is the name of God.

How do we prepare for what is coming? We prepare in faith, in prayer, in the word of God... We prepare together. No fear because God is the LORD; the Lord of earth and heavens is God. His name is Righteous, Faithful and Holy. His Law is before our eyes and His Son is JESUS.

I will accept the Cross with JESUS,
in His sorrow, in His heart and faithfulness, in His forgiveness,
in His thirst and prayer from the top of the Cross,
In His trust and Love to the Father. In His name I will pray.
The right hand their heard words of forgiveness and consolation,
he heard: Today you will be with Me in Paradise.

PSALM 34

I will bless Yahweh at all times; his praise

continually on my lips. ²I will praise Yahweh from my heart; let the humble hear and rejoice.

³Proclaim with me the greatness of Yahweh, let us acclaim his name together. ⁴I seek Yahweh and he

answers me, frees me from all my fears. ⁵Fix your gaze on Yahweh and your face will grow bright, You will never hang your head in shame. ⁶A

pauper calls out and Yahweh hears, saves him from all his troubles.

⁷The angel of Yahweh encamps around those who fear him, and

rescues them. ⁸Taste and see that Yahweh is good. How blessed are

those who take refuge in him. ⁹Fear Yahweh, you his holy ones; those

who fear him lack for nothing. ¹⁰Young lions may go needy and hungry,

but those who seek Yahweh lack nothing good. ¹¹Come my children,

listen to me, I will teach you the fear of Yahweh. ¹²Who among you

delights in life, Longs for time to enjoy prosperity? ¹³Guard your tongue

from evil, your lips from any breath of deceit. ¹⁴Turn away from evil and

do good, seek peace and pursue it. ¹⁵The eyes of Yahweh are on the

upright, his ear turned to their cry. ¹⁶But Yahweh's face is set against

those who do evil, to cut off the memory of them from the earth. ¹⁷They

cry in anguish and Yahweh hears, and rescues them from all their

troubles. ¹⁸Yahweh is near to the broken-hearted, He helps those whose

spirit is crushed. ¹⁹Though hardships without number beset the upright,

Yahweh brings rescue from them all. ²⁰Yahweh takes care of all their

bones; not one of them will be broken. ²¹But the wicked evil brings

death, those who hate the upright will pay the penalty. ²²Yahweh

ransoms the lives of those who serve him, And there will be no penalty

for those who take refuge in him.

Dear Brethren, Faith is all about love; God is all about love and away from love there is nothing. The language of God is a language of love. It is impossible for me to love JESUS and trust in His Love for me if I don't trust in JESUS' Love to His Mother - the Blessed One among women... and likewise is my trust in the Father's Love; it is my trust in His Love to JESUS, Mary and His holy people.

The Cross

JESUS suffered on His Cross and said, 'Follow Me'; 'I Am the way, the truth and the life'; the way we men should follow in the good will of the Father. The Cross which appears behind the Holy Mother in paintings is not JESUS' Cross but Mary's Cross. Everyone suffers on his cross; everyone got a cross behind him if you will; it is the cross of life... and the cross of the good news which the world still refutes and inflicts sorrows upon us.

United, united, united in the Heart of Mary as good children of God, we remain faithful to His feet pierced for our sake; He who died for us when we were dead... We believe in Jesus' love to His Mother because we believe in JESUS' Love; without our trust in JESUS' Love we can't be Christians and without our trust in the Father's love to all those who suffered with JESUS, especially His Mother, we can't be Christians. Only when we accept Mary as a Mother glorified by God, we have then believed in God's love and promises, He who said, **'Rejoice favoured one'** to **She who witnessed Her Son crucified!**

The Hour has come when the Lord wants Catholic, Orthodox and Protestant Christians to be united. 'Ephatha', says the LORD. Without accepting Mary and the Saints of God as glorified in Heaven according to the promise of God, we have then denied the good will and Love of the Father and the Son.

CHAPTER 9

The Saints of God

HOLY IS THE NAME OF GOD,

Love alone and virtues bring us closer to Him and Light is testifying about Himself.

He is the Father of the Saints, of the poor and forgotten ones...
the Father of all.

He is the Holy One who Came from Heaven and accepted our sins upon Himself, and carried our cross and died for us.

He is the True and Faithful One, who lifted His holy servants to His glory and kingdom of Heaven.

**“I will open my mouth in parables;
I will utter things hidden from the foundation of the world”,
said the Lord.**

They are the joy of earth and Heaven... the Saints of God.

Holy is the name of God/ Our beloved Saints

(*Reference book: Take away the stone* ارفعوا الحجر)

Saints did not become saints because they knelt down and prayed, and they did not become saints because they lived in faith, humility and love; but they became saints because God does exist and because God is holy. Hallelujah.

Holy is God who lifted his holy servants to his glory and kingdom of Heaven. Alone the virtuous life brings us closer to him and light is testifying about itself... Oh yes, I believe in God and I welcome you O light of humility and love, O light of righteousness and goodness, O light of faith and hope, light of Gospel and prayer, light of God; come and enlighten our hearts with the lights of Heaven. Amen and hallelujah for the Lord.

Christ came, opened our eyes to the truth, walked ahead of us, and made the earth give Saints to Heaven: “I will open my mouth in parables, I will utter things which have been hidden from the foundation of the world” (Mathew 13:35), God said.

Through the works of our beloved Saints, especially their miracles on earth after their death, we can see the glory, honor and kingdom God granted to them; yes, we can see God’s love and great will for us. Yes, we saw the promise of Christ fulfilled in our Saints, for he said, “And as My Father appointed to Me, I appoint to you a kingdom” (Luke 22:29) and also said, “He

who overcomes, I will give to him to sit down with me on my throne, as I also overcame and sat down with my Father on his throne” (Rev 3:21).

Without the Saints of God - our brothers and sisters - it seems harder to believe in God; from here we perceive that the testimonies of the faithful – like healing testimonies through Saints – are of high and unique value for every Christian and every man for we are seeing ourselves in our beloved Saints. Yes, because of our Saints and through them, we love God and we love the earth – this great sanctuary God made for us in his generous plan.

Akita daily prayer with the Crucifixion of THE LORD / the Eucharist prayer

“Most sacred heart of Jesus, Truly present in the holy eucharist, I consecrate my body and soul to be entirely one with your heart, being sacrificed at every instant on all the altars of the world and giving praise to the Father pleading for the coming of His Kingdom. Please receive my humble offering of myself, use me as you will for the glory of the Father and the salvation of souls. Most Holy Mother of God, never let me be separated from your divine Son, please defend and protect me as your special child, Amen”

1. THE CASE FOR A CREATOR - Evidence of Physics Clip 7.03min

[//youtu.be/X3d0zC3G3b8](https://youtu.be/X3d0zC3G3b8)

The universe is fine tuned in favour of human/conscious life on earth.
All scientists agree upon this fact.

If the universe wasn't fine-tuned including the big bang we wouldn't be here
to discuss it!

If all happened by chance it means that all what we are is also by chance i.e. it
is all due to matter.

These videos are a way to show that God is here.

Additional Testimonies by Scientists:

Fred Hoyle (British astrophysicist)

"A common sense interpretation of the facts suggests that a super-intellect has monkeyed with physics, as well as with chemistry and biology, and that there are no blind forces worth speaking about in nature. The numbers one calculates from the facts seem to me so overwhelming as to put this conclusion almost beyond question."

Paul Davies (British astrophysicist)

"There is for me powerful evidence that there is something going on behind it all....It seems as though somebody has fine-tuned nature's numbers to make the Universe....The impression of design is overwhelming".

"The laws [of physics] ... seem to be the product of exceedingly ingenious design... The universe must have a purpose".

Robert Jastrow (self-proclaimed agnostic)

"For the scientist who has lived by his faith in the power of reason, the story ends like a bad dream. He has scaled the mountains of ignorance; he is about to conquer the highest peak; as he pulls himself over the final rock, he is greeted by a band of theologians who have been sitting there for centuries."

[Click here to watch the video](#) 5.19min //youtu.be/3DiHmM8gUW4

George Ellis (British astrophysicist)

"Amazing fine tuning occurs in the laws that make this [complexity] possible. Realization of the complexity of what is accomplished makes it very difficult not to use the word 'miraculous' without taking a stand as to the ontological status of the word."

Alan Sandage (winner of the Crawford prize in astronomy)

"I find it quite improbable that such order came out of chaos. There has to be some organizing principle. God to me is a mystery but is the explanation for the miracle of existence, why there is something instead of nothing."

John O'Keefe (astronomer at NASA)

"We are, by astronomical standards, a pampered, cosseted, cherished group of creatures.. .. If the Universe had not been made with the most exacting precision we could never have come into existence. It is my view that these circumstances indicate the universe was created for man to live in

George Greenstein (astronomer)

"As we survey all the evidence, the thought insistently arises that some supernatural agency - or, rather, Agency - must be involved. Is it possible that suddenly, without intending to, we have stumbled upon scientific proof of the existence of a Supreme Being? Was it God who stepped in and so providentially crafted the cosmos for our benefit?"

Arno Penzias (Nobel prize in physics)

"Astronomy leads us to a unique event, a universe which was created out of nothing, one with the very delicate balance needed to provide exactly the conditions required to permit life, and one which has an underlying (one might say 'supernatural') plan."

Roger Penrose (mathematician and author)

"I would say the universe has a purpose. It's not there just somehow by chance."

Tony Rothman (physicist)

"When confronted with the order and beauty of the universe and the strange coincidences of nature, it's very tempting to take the leap of faith from science into religion. I am sure many physicists want to. I only wish they would admit it."

Vera Kistiakowsky (MIT physicist)

"The exquisite order displayed by our scientific understanding of the physical world calls for the divine."

Stephen Hawking (British astrophysicist)

"Then we shall... be able to take part in the discussion of the question of why it is that we and the universe exist. If we find the answer to that, it would be the ultimate triumph of human reason - for then we would know the mind of God."

Frank Tipler (Professor of Mathematical Physics)

"When I began my career as a cosmologist some twenty years ago, I was a convinced atheist. I never in my wildest dreams imagined that one day I would be writing a book purporting to show that the central claims of Judeo-Christian theology are in fact true, that these claims are straightforward deductions of the laws of physics as we now understand them. I have been forced into these conclusions

by the inexorable logic of my own special branch of physics." Note: Tipler since has actually converted to Christianity, hence his latest book, "The Physics of Christianity".

Alexander Polyakov (Soviet mathematician)

"We know that nature is described by the best of all possible mathematics because God created it."

Ed Harrison (cosmologist)

"Here is the cosmological proof of the existence of God – the design argument of Paley – updated and refurbished. The fine tuning of the universe provides prima facie evidence of deistic design. Take your choice: blind chance that requires multitudes of universes or design that requires only one.... Many scientists, when they admit their views, incline toward the teleological or design argument."

Edward Milne (British cosmologist)

"As to the cause of the Universe, in context of expansion, that is left for the reader to insert, but our picture is incomplete without Him [God]."

Barry Parker (cosmologist)

"Who created these laws? There is no question but that a God will always be needed."

Drs. Zehavi, and Dekel (cosmologists)

"This type of universe, however, seems to require a degree of fine tuning of the initial conditions that is in apparent conflict with 'common wisdom'."

Arthur L. Schawlow (Professor of Physics at Stanford University, 1981 Nobel Prize in physics)

"It seems to me that when confronted with the marvels of life and the universe, one must ask why and not just how. The only possible answers are religious. . . . I find a need for God in the universe and in my own life."

Henry "Fritz" Schaefer (Graham Perdue Professor of Chemistry and director of the Center for Computational Quantum Chemistry at the University of Georgia)

"The significance and joy in my science comes in those occasional moments of discovering something new and saying to myself, 'So that's how God did it.' My goal is to understand a little corner of God's plan."

By Malcolm Bowden: “If we evolved out of ordinary material over billions of years by pure chance, then there is nothing else in this universe except chemical elements, and no afterlife when we die”.

“Alternatively, if we were created by God for a purpose then there is a life after death and we know instinctively that this same God will judge us all in the “final Showdown” when the curtain finally falls on this ‘Drama of the Universe’”

Conclusion:

- God Has fine-tuned the UNIVERSE in favour of human/conscious life on earth.
- God created us in His likeness, hallelujah.
- We do not live in a random world but everyone will reap the fruit of his work. Every man is responsible of his behaviour.
- We are not holy but earth is our sanctuary and call to goodness.

My Kingdom is not from this world

When Saint Paul was preaching resurrection from death to people who never heard about Christ, they went away saying, “We would hear about this later on”; they couldn’t believe, however some good hearted people fell in love with the Word of God; a great Hope in heart where nothing can be much

beautiful... and those people started to seek God in Jesus Christ. Yes, we are seeking God... If I am seeing and thinking, it is because of Him.

If I am breathing, it is because of Him. If I am remembering... If I am feeling love and mercy... these didn’t come but from Him; He gifted it all... and

more, He Healed my sight and broke the impossible for me to see because I can see – because I was gifted to see. Thank You Lord I can see, because of You I can see not because of me... God knows that I can see and God is talking to me! For me He called water into wine and dead to

life –not for birds- **calling our attention to something greater and above this world;** above what we can see, perceive and judge; and because of this alone, God left no room for us – for our strength– but to believe. **Our wisdom is no more.** He gifted us enough wisdom to see... However, God gifted us much more... because He who called the dead from the tomb, also offered Himself to the tomb and let Himself be buried. Like a most unfortunate creature He suffered testifying about His Word and Holy Name **that we may believe in His Word above this world;** that we may believe in His blood. God can't tell it better! We got to understand because we were gifted to understand and God knows that we can understand. It is our misery to not understand when we should... in fact, we rejected Him and He drank the cup of our misery till the end exalting love from the top of the cross; I can't but seek the Heart of JESUS! Truth is there in His big Heart! Please lift up your sight above this world.

God would also speak to you

The holy prophets of the Bible received messages from God and lot of blessed people like Simeon and Anna of the Gospel also received messages... and God would also speak to you when you remain in Him; in goodness and purity of heart, in His Will, and do not go out to selfishness or what displeases goodness because it also displeases the living God. His name is Holy and because of His name we have eternal peace in our heart... God can see your soul and thoughts and talk to you only in what you can understand; in your need, your question, your language, and in the measure you can receive... hence the messages are different amongst people but are one in essence repeating the message of the Gospel in different ways. In fact, His word was given to us long time ago and many Saints had only the Bible at hand with few books from the Church.

From His goodness we are all receiving

The world does not want to give ear to God but now all nations will listen.

GOD IS SPEAKING... His Voice is heard and His kingdom will in time embrace the world like a Mother to her child... there will be an era of peace after getting rid of evil. He provided and He will provide; Father of all goodness, Father of morning and eve, Father of love and family, Father of earth and Heaven, Father of living and dead and from His goodness we are all receiving.

Fom His goodness we received life but His goodness was mocked and betrayed! His goodness was mistreated - the gift of life itself! This happened

because of sin... But God is still here waiting on me, to talk to me... He is also waiting on you to give your soul to Him forever; to give your soul to goodness.

The Word of God is one, always the same and forever new and calling for goodness. The Law of God is one, simple and clear, and revealed to every heart... and to your heart too; “Ephatha”, says the LORD. His Law was here from the beginning.

Nothing can Heal the world but the truth and when the world is Healed God is Here to Provide; Our Holy Father whom we betrayed and trampled on His good will.

Me too received a message from God

Me too received a message from God when i was putting an effort to write something about love and i couldn't - it is so difficult to write about love; and as i knelt down to pray, God clearly said into my thought and way of thinking, “You can't talk about love, and you can't talk to love [can't write prayers] all you can is let love [God] talk in your heart” – I never thought this way before and i can't forget that i truly learnt something directly from God. God is so near to us and He is everything - His goodness is shining in our hearts... God is everything, Father of all goodness; He is our beautiful morning and eve... and only because of Him we are. His goodness is our life.

God is my sight and my light and because of Him i can see, not because of me; not because of me... Only if we perceive that God is our life; how much we would love Him! O Divine Beauty who takes away the shadow of death from the tombs, please open my eyes.

When i lean on Him in prayer, i fear nothing. Without Him, i am dead. Death is not about flesh but about soul; it is the death of love and goodness, it is when i look around me in my sorrow and no one is there to help me. It is also when i don't care about others when i can; it is a death of love and goodness.

God alone can give faith to man and God is giving. Man can't give faith to man.

Brother, If you have fear in your heart, this is a sign for you, know that you have to pray; Come to the House of God... He is Father, He is Friend... Heaven is waiting on you much better than your good mother would do... but motherhood itself was from God and love too... “Ephatha”, says the LORD.

LK 12:35 “Let your loins be girded, and the lamps burning, LK 12:36 And be like men waiting for their lord when he returns from the wedding feasts, that when he comes and knocks, immediately they would open to him. LK 12:37 Blessed are those slaves, whom, when the lord comes, he will find watching. Truly I say to you, that he will gird himself, and he will cause them to sit, and he will come and minister to them. LK 12:38 And if he comes in the second watch, or if he comes in the third watch, and finds it so, those slaves are blessed. MT 24:42, LK 12:40 Be on the alert therefore, because you do not know what hour your Lord, the Son of Man, comes.

QUESTIONS & ANSWERS

QUESTION 1

How the merciful Father allowed for the crucifixion of His Beloved Son by men?

Is God merciful? Was Jesus truly crucified? Was He crucified for our sake?

Why the cross?

Dear brother,

Thank you for your Question... I will humbly try to answer it...

Love and Mercy of God

We have mercy in heart and love for our children and we need ask from where did we receive love and mercy? We didn't receive love and mercy from soil and water but from God... we are feeling God's in heart... and because of Him we are asking questions about love and mercy.

Dear Brother, what is life? Life is nothing but God's love and we are feeling His love at every moment; His love is our life and without His love we can't be.

Life is holy, so holy, and sin offends God

Please consider sin and the bad consequences of sin after death; God Has gifted us all good we have and life is so holy in the eyes of God... and sin offends God. Please watch these 2 videos (a case of abortion):

This blessed, courageous and generous testimony reveals that God brings a righteous punishment out of His Sorrow; it is not a punishment, it is a facing of truth, a facing of righteousness. The divine justice does exist. God is just and righteous...

The Crucifixion of the Son of God

No doubt the Father suffered from the crucifixion of His Beloved Son and no one loves the Son better than the Father... God announced that His Love for us is what lead Him to the cross; the sufferings of JESUS has to do with a divine mystery related to the salvation of man - He atoned for our sins. It was God Himself, Father and Son, who suffered for our sake out of His mercy and love for us - His mercy overcame His justice.

JESUS answered this question in the Gospel at many occasions; so please consider the answer of the One who rose the dead... please read the Gospel.

“... for the Son of Man also came not to be served, but to serve,
and to give his life as a ransom for many”,
the Lord said. (Mark 10: 43-45)

Let us carefully watch these videos – the cross of Jesus is inside

We are here in Egypt in the Church with Father Mkary Younan where all people, Christians and Muslims, come to heal from evil spirits or demons. Here is a lady who came from another country to Egypt... the Priest asked, “What do you have?” She answered, “I am sick”. “Do you have demons?”, asked the priest, and she answered, “Yes”. The priest then said: “I sprinkle holy water three times, every evil spirit quits the body and never comes back in the name of Jesus Christ of Nazareth. **In the**

power of His blood, Cross and Enlivening Divine Authority, we order every spirit which is enemy and contrary... to leave the body and never come back, every magic and work of evil... to be broken, all chains to be broken, all attacks... in JESUS' Name.”

She was delivered and stood up in joy and said to the priest, “I love you so much” and the Priest answered, “The Messiah Healed you and set you free, Say Thank You Jesus Christ, The King of Glory”.

With the cross of Jesus and the power of His blood, the Church used to cast away evil spirits. No doubt the crucifixion of Christ, his sorrows and sufferings have to do with the enemy; it is here to fight Satan and save souls from his hand. The cross of Jesus has to do with something divine we can't fully understand here on earth – we got to trust the divine teaching of JESUS. I wish for all to come to know the Heart of Jesus, the Heart of God.

All Saints lived the cross with full confidence in Jesus' love and holy name, putting all their hope in Him, and God rewarded them in Heaven; yes, we walk behind our Saints.

Dear brother in Christ, please Believe, Rejoice and be Glad in God Almighty, in JESUS CHRIST because He is REAL and He is HOLY and His CROSS was for our sake, to defend us... it was His LOVE for us that lead Him to the Cross.

God loves good people

God is Father of all people... God loves good people and welcome them at their hour of death; no good man was forsaken by the Father since the beginning of days. Those little brothers who pray to God Almighty with innocent heart are welcome by the Father, however, when it comes to hating and killing others, God Has a totally different position because God is Love, only Love.

QUESTION 2

How shall I face a natural disaster... even death?

Dear brother,

Face it with prayer. Face it in God. Cry out to JESUS, to Mary and to the Saints of God. Pray. God is stronger than nature, God is above nature... God is stronger than death... God is above death... The Lord said, “Do not fear what kills the body” and also said, “Today you will be with Me in paradise”.

The Gospel told us that Saint Stephen was stoned till death and he faced it all with prayer till his last breath when he said, “Lord Jesus, receive my spirit”.

Dear brother, Heaven is our Home where we will meet again all together; we will meet all our beloved people and meet our Lord JESUS who is already there, who died on the cross. Heaven is our true Home.

Please pray every day, be prepared, be ready; everyone got a date when it will leave this body and go Home to Heaven.

Let us pray for the kingdom of God to come upon the earth where all sufferings and sorrows will no more be.

In the name of God – Father, Son, and Holy Spirit – we pray.

QUESTION 3

What is it all about? Where is the answer to my Question?

Dear brother and sister in Christ please consider the following:

Life is holy: Life is holy, so holy, and sin offends God. God is the giver and the judge; He is the Father of all gifts, Father of earth and heavens, of day and night, of summer and winter and of life and death. He is the God of light and love, who made righteousness and mercy dwell in our hearts where His embrace of love is our very life.

We need Salvation: Man is not holy... wars and evil works are a testimony against us. Man is a sinner in the midst of this holy life, and surely needs a Saviour, it needs Salvation.

Our Salvation is in Christ: In the beginning was the light of day and night, and the light of conscience, love and family... and after that, Christ Came to Bless this Light and Gift us Faith in God to complete the joy of man; the joy of man can't be complete without Christ... and the sinner has no one but Christ.

What is it all about? Brother, it's all about A Holy Battle; a Battle between goodness and wickedness. This Battle will end by the coming of the Kingdom of God to earth where earth will be transformed to become like Heaven... Jesus came to make goodness triumph in the world so that evil would be no more... so let us pray and work for the kingdom of God, Blessed be His name; His name is Holy - love alone brings us closer to Him and light is testifying about itself - His name is that love for righteousness and goodness we are feeling in our hearts...

The Kingdom of God: The Lord said, "Repent and Believe in the Gospel because the KINGDOM OF GOD is near", and also taught us to pray this way, "Our Father who is in Heaven, Hallowed be your name, let YOUR KINGDOM COME, Let YOUR WILL BE DONE on earth as it is in Heaven". Blessed be the Kingdom of God.

My mission: We need to always remember that life is holy, so holy and sin offends God... but more, we need to perceive that life is a precious opportunity we can make use of it for the glory of God, our Father... In this life, sinners can repent and become Saints. Hallelujah.

I am following JESUS: No matter what my question was, God knows more than I do, and God, through the Person of Christ, Has taught us this teaching – the Gospel, walked that way, and announced that He is the way. We are happy because we have inherited the faith of the Son of God who loved us and delivered Himself for our sake. I follow JESUS. God Has gifted us His Beloved Son to follow Him in our lives and this is the best portion for me in the good

will of the Father. I am not the first one to follow Jesus but I'm walking behind His Saints.
