What Lord was it, the One whose glory was revealed on the cross! A wonder among people and astonishment among nations! And in the Church, He is righteousness, peace and reunion. Love guided you to me and you took the cross and bear for me the heartbreak of the terrible death. I wish I could spend my life, all of it, in your commandments and live 'among' the mysteries of redemption

But only Jesus. Who is true and complete like Jesus...Lord wants your heart... your heart, that one of sin... Hallelujah

137. [Arabic] واحبيبي بصوت فيروز
<https://youtu.be/QEhdRVMp7PI>

Words: O my beloved Son, what a state you are in! Who was it that one who saw you and injured you!...there is no justice! They increased your wounds, (wounds above wounds)... When in Garden, at night, the Redeemer God knelt down to pray, the universe was praying... the olive trees were crying... O my beloved, how come that you pass, was it lost the faithfulness! O my people and my friends, where is the covenant of faith! Where is the faithfulness to my love and care! Like a killer and enemy you pushed me to misery! And between two thieves you nailed me unclothed! O Mary my mother, your crying is adding to my sorrow, let me alone and go back... O Father why you forsake me in my sorrows, my heart is broken and my chest bones are pulled apart. I am the Mother of sorrow, and no one can console me. Let the death of your Son be life for those who are seeking life. The Mother of Jesus cried and made those looking at her cry. My regret is about a nation who killed its shepherd! Doves lament about the scattering of its people... the virgins of Jerusalem are crying about their children... Let the death of your son be life to those who are seeking life.

Words: Today, it was hung on a piece of wood, the One who hung earth on waters. A crown of thorns is put on the head of the Lord of angels. He was clothed with a scarlet robe, the One who clothed the sky with clouds... the Son of the virgin was pierced with a spear... We bow before your sorrow O Christ, lead us to your resurrection, Amen.

144. [\[Arabic\]](https://youtu.be/ZQaeH_eQchY) فيروز انا الام الحزينة

https://youtu.be/ZQaeH_eQchY

Words: I am the Mother of sorrow, and what would console me! Let the death of your Son be life for those who are seeking life. The daughter of Zion has cried and made

those looking at her cry. They added wounds above wounds I suffer from. My regret is about a nation who killed its shepherd! Doves lament about the scattering of its people. The virgins of Jerusalem are crying about their children. Let us go to Mary His mother to console her. Let the death of your son be life to those who are seeking life.

145. [Arabic] __ترتيلة "انت الشفيح الاكرم" مع كلمات

https://youtu.be/VSZ_a-oHLrs

Words: You are the most honourable mediator towards your Son O Mary, You received a High status and grace upon grace, and gold is not much in speaking about you if it could be put in words, the sun and moon won't be mentioned beside your light. Whoever doubts in you and tells lies, hell will be its punishment. You are the most gracious intercessor (for us) towards your Son. Your God has created you mercy and gift to the world, you full of grace; whoever seeks refuge in you will receive mercy. Gabriel has come to Nazareth with great good news to you, He Said rejoice pure one, greatest joy is for you. The Lord of angels and men; His mystery appeared in you; the awaited Messiah is taking body from you. Through you I seek acceptance of my prayer, O please seek mercy to those seeking mercy through you.

O honour of earth, O goodness and sea of gifts, O door of heaven, O Mother of salvation, eye of hope, and light of right path... O Mother of Redeemer, we are calling for peace...

150. [Arabic] Fairuz God is among us .. فيروز ترتل الله معنا - الصوم الكبير
<https://youtu.be/wdU8bWL2k6A>

Words: God is with us; know this, all non-believers, and fell down because God is with us. Listen to the end of the earth because God is with us. You strong ones be defeated because God is with us. And no matter if you get stronger you will also be defeated because God is with us. And whatever advice you think about, God will squander it, because God is with us. And whatever you say it won't stand long in you because God is with us. Your fear we do not consider, but we praise our Holy God and He only is our fear. The inhabitants sitting in darkness have seen a great light, because a son was born for us, a strong God, Lord and king of peace, and Father of coming kingdom. Know this all enemies and be defeated because God is with us.

<https://youtu.be/MfJP8vJ4JLw>

Words: Peace on you without boredom, O Star of sea and hope, O Mother of the Lord of eternity and still pure virgin. In the name of the greeting announced by Gabriel, from the side of God, bring back to us peace that we have lost cause of what we have done of bad. You are the rich in graces and we are your children in poverty, have pity on us when we repent; whoever comes to you will receive hope.

Useful tips

It is good to download the videos to your computer because many links would be removed. Original albums can be found in stores.

To download a video from youtube.com please search the web for “How to download youtube videos”; there are many websites that can do it, however you might prefer to use a software to download these videos.

Videos can be downloaded as MP4 format and if required converted to MP3 audio format using for example the free version of “Any Video Converter” software.

‘VLC Media player’ is useful to watch videos or hear songs using a computer; it is free from www.videolan.org How to use ‘VLC Media Player’? Start it then look at ‘Media’ menu on the top and select ‘Open Folder’; select for example the Folder which contains the worship videos. Then from the ‘Media’ menu, select ‘Save Playlist to File’; Give it a name, say ‘Worship’, and save it for example to Desktop. Now you only need to click on ‘Worship’ at Desktop to watch or hear all videos at random or in order.

Many computers especially laptops do not have quality sound speakers;

I had this issue for years and didn't know until I got a cheap tower speaker from a local store (15\$ and works fine without battery when powered); it connects to computers and other devices. It can also play songs (MP3 format) from a USB memory or TF memory card which is useful for people who don't use computers.

It can be powered from a normal power socket through a USB adapter or powered from a device such as a computer, etc.

To shop it online use Key words like “Speaker, Tower speaker, Stereo…”

If your English is not good enough, learning from a speaking Dictionary is highly recommended. Learning from the DVD-ROM of a Dictionary where you can hear (and surely read) plenty of example sentences about every word, is a good way to learn. See antimoon.com for reference; Longman dictionary's DVD is a good choice.
